

We are a registered charity fully reliant on volunteers, subscriptions, donations and fundraising to enable us to continue providing opportunities for fun and adventure, for young people through Scouting. There are many ways to support your local Scout Group. We always need volunteers to help the Section leaders and young people directly, as well as background support like fundraising and looking after our facilities.

We have a small team that leads fund raising and social events for the Group. The fundraising team need a pool of people they can draw on to help with specific activities. Get in touch via our website Contact Us tab.

You can also help us collect papers for recycling on the last Saturday of each month (except August and December), or tag us to receive a small donation from retailers when you do your online shopping via Easyfundraising.org.uk. It is easy to set up and doesn't cost you anything via <http://wfyw.easyfundraising.org.uk/?id=2596>
